## Prasad Groups complete 3D movie production solutions launched in India

Posted on: 15-Jun-2010

[Re-publish](#) [Animation Xpress](#)

Prasad Group, a pioneer in post production services and having introduced the latest cameras and specialized outdoor equipment in India, launched the first ever Complete 3D Movie Production Solution in India on Friday, 11th June, 2010. Sai Prasad, Director-Prasad Group, Marco Willis of 3DCC, Manmohan Shetty and Ramesh Prasad, MD-Prasad Group at the launch. This is an end-to-end service solution for all aspects related to the production, post-production and delivery of 3D content for cinemas and other media. Prasad Group has tied up with Toronto based 3DCC (3D Camera Company), who have been in this domain for many years now and have provided ...
