PRASAD GROUP, a pioneer in most production services and having introduced the latest cameras and specialised outdoor equipments in India, launched the first ever 'Complete 3D Movie Production Solution' in India on Friday (June 11, 2010) at Club Millennium Juhu Scheme.

Ramesh Prasad, chairman, Sai Prasad, managing director with his wife Kavita Prasad and executive director J Naidu all from Prasad Group graced the occasion at the launch function.

Prasad Group has tied up with Toronto based 3DCC (3D Camera Company), who have been in this domain for many decades now and have provided cutting edge solutions for several feature films, advertisements, commercials and documentaries. Prasad Group plans to offer this service to several projects simultaneously and is currently in discussion with major production houses in India. Workshops would be conducted on the technical and operational aspects of the system to streamline post
